Sir,

It is true that on the then District Health Officer's report it was reported to Government in this office letter C.No. 6348-A4/38 dated 21-11-1938 that the services of the Cinema Operator were not required during the monsoon months. But the present District Health officer found that on account of the Cinema machine being kept idle for about four months, the machine did not work satisfactorily and that it gave constant trouble during shows. Cinema Operator had therefore to attend to certain repairs and oil and clean the macine regularly. The District Health Officer

P.T.O.

also reports that he was able to take the Cinema machine to the villages during the monsoon months and give some demonstrations. I may point out here that in this district, Bus services run regularly all through the year and therefore no inconvenience will be felt to convey the Cinema machine to places connected by the Bus services even during the monsoon months and the Cinema demonstrations given inside the school buildings owned by the Board. The services of a Cinema Operator will therefore be necessary all through the year.

2. In the circumstances, I request that the -- Government may be pleased to accord sanction for the -- continuance of the post of the Cinema Operator from 1-4-1939.

p.3 of (2) — In G.O. 659 P. H. dated 18-2-1938, sanction was accorded for the employment of a cinema operator, by the Dt. Bd., South Kanara, from 1-11-1937 to 31-3-38 but the operator was retained in service by the P. DB. South Kanara for the months of April and May 1938 and his action was approved in G.O. 2912 P. H. dated 15-8-1938.

2. The Cinema operator was relieved from service on 1-6-1938 and was reemployed again on 1-10-38 as the operator will have no work during the monsoon (June & September). Sanction was accorded for the employment of the temporary operator for the period from 1-10-1938 to 31-3-1939 in G.O. 4441 PH. dated 12-12-1938. It will be seen that the period for which sanction the employment of the operator was sanctioned has expired ~~from 1-6-1938~~. The P. DB. now requests that sanction may be accorded for the employment of the operator for a period of one year from 1-4-39.
